# Walkabout Show / installations

Millefeuilles is available in two different forms:

- A walkabout show with paper installations and short performances
- Short performances

A walkabout show during which the public discover and explore a scenery in a dark room with a flashlight.

A whole world of papercut is revealed through projected shadows

Suitable for stage theater, art space, museum, libraries, ...

**Indoor, dark room required**

**Duration:** 45 minutes

**Capacity:** about 50 people (stands required)

**Age:** all audiences since 6 years old

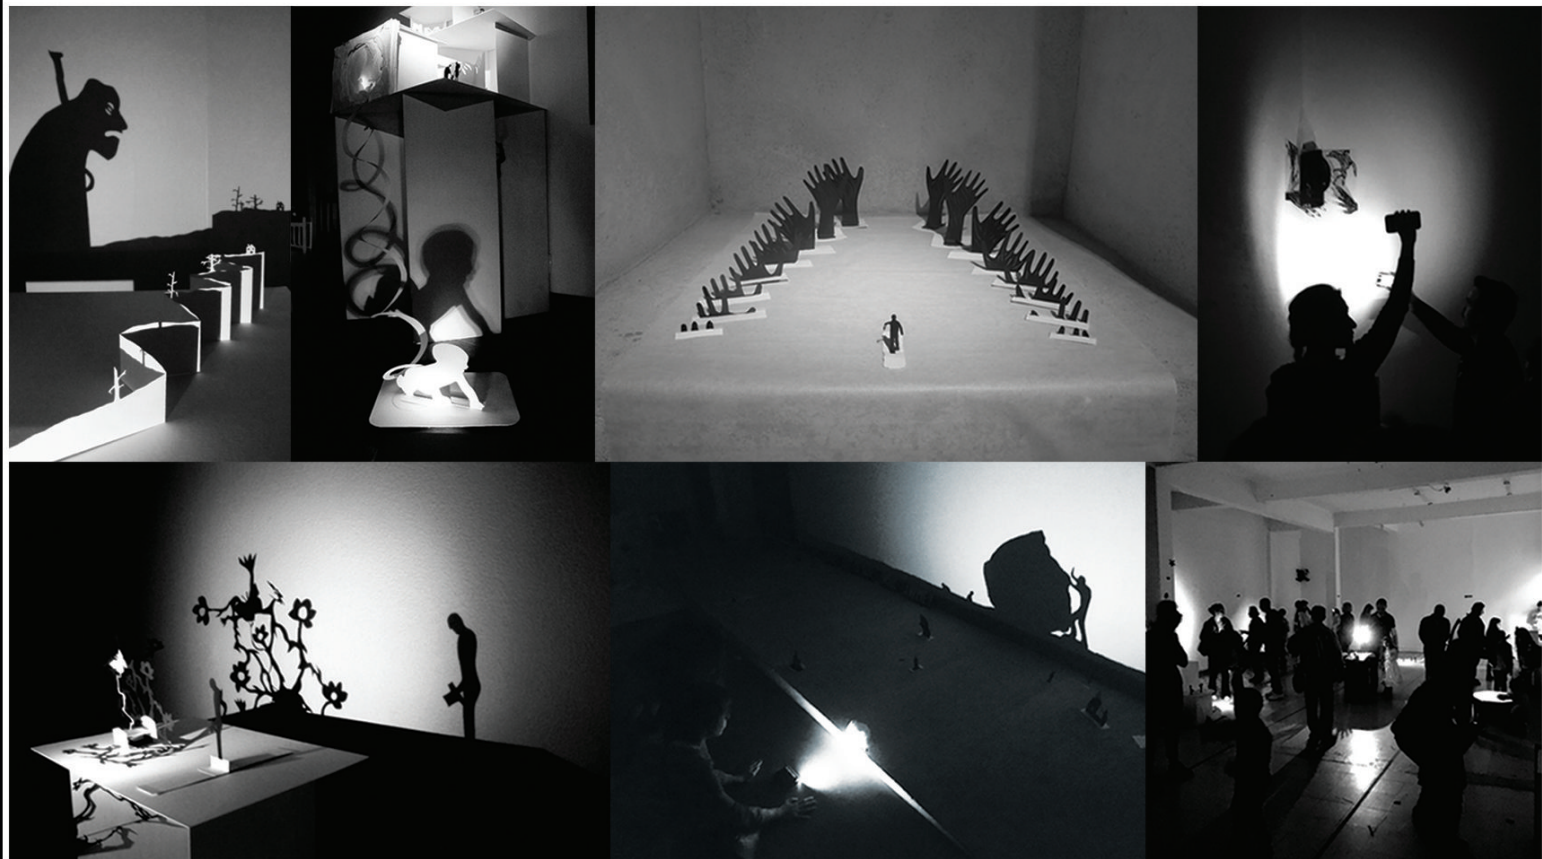

**Set-up:** 6 hours

**Dismantling:** 2 hours

An immersive experience to share between adults and children, where the universe of animated books and shadow theater mixes

# Short Performances

Tender and absurd stories featuring an unusual character who, to escape solitude, will invent a whole world for himself

A praise of imagination through a pop-up universe where silhouettes and scenery appear in stop motion, creating the illusion of movements and reserving many surprises

**Indoor or Outdoor - Duration:** 25 minutes  
**Capacity:** about 70 people (stands required)

Based in Toulouse (France), the compagny Areski has been developing projects (shows and workshops) in different countries (Brazil, Vietnam, Turkey...) since 15 years
